

Good Shepherd Central East India / Nepal

Embraced by Mystery, Passionate for Justice

2nd Province Chapter, 16 – 23 November 2019

On the 16th November 2019, 36 capitulants of Central East India/ Nepal Province gathered for our 2nd Province Chapter in Nagpur, Maharashtra. We were indeed blessed with the presence of CLT members Srs. Josita and Frances also Bro. Philip Pinto cfc, our competent facilitator.

We began with a meaningful opening prayer with the chapter theme “Embraced by Mystery, Passionate for Justice” followed by the orientation for the chapter. The next five days saw us working with following themes “Shepherding Mission Partnership, Passionate for Justice, Leadership and Discernment, Servant Leadership and Envisioning the new path”.

Every morning we began the day with the celebration of the Eucharist and a well prepared opening prayer before starting the day’s sessions. The constant reminder by the liturgy group and the facilitator of the in dwelling God helped us to be in touch with the Spirit of God in us and among us. This was a great help in the smooth running of the proceedings of the Chapter and the election process. We could sense the vibrant presence of a loving God, a God of abundance guiding and providing.

After finishing all the formalities of the chapter on the 22nd evening, we had the installation Mass for our new Leadership Srs. Pushpa Louis, Kala Hermanajilt, Mary Jose, Shanthi Jaganathan and Annie Thomas on 23rd noon which was a joyful celebration of thanksgiving.
