

North East Asia Province completes its PreChapters

The first province in Asia Pacific to have its Chapter in the Asia Pacific region is the Province of North East Asia. It will have its 3rd Chapter from 10 – 18 October, 2019 based on the theme “Drawn by Love, Called to See Deeply, Respond Boldly.”

As part of the Chapter process, the province had its PreChapters in Hong Kong from 17 - 19 June, 2019 and in Korea from 22 – 24 June, 2019, facilitated by Sr. Anne Dalton and Ms Theresa Symons. The PreChapters were attended by 17 apostolic sisters and 9 lay mission partners in Hong Kong, and 37 apostolic and 4 contemplative sisters and 6 mission partners in Korea.

This PreChapter was a significant moment for the province as lay mission partners were invited for the first time to participate in the first day in Hong Kong and Korea. The province acknowledged that sisters and lay partners are together co-responsible for the effectiveness and sustainability of Good Shepherd Mission into the future.

The PreChapters provided the space and time of deep listening of oneself and to each other on the realities of today and the priorities that needed attention for the future of Good Shepherd Mission in the Province of North East Asia. The sisters also surfaced names of possible leaders that would lead them into the next six years. All these will be further deliberated at the province Chapter in October.

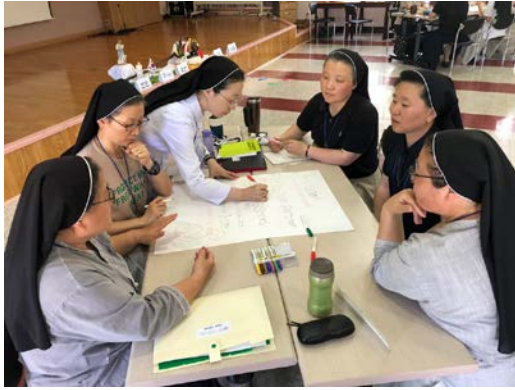

“If you always love one another, if you always uphold one another, you will be capable of working wonders.” St. Mary Euphrasia – Conference 68
