

# FLASH NEWS!!!

8 September 2021

Dear Sisters and Mission Partners,

We request your prayers for the people of Myanmar, as the National Unity Government has announced the official beginning of a Civil War. The plight of the people is indeed challenging as they are facing the Covid-19 crisis as well.

We have been in ongoing communication with Sr. Rebecca Kay, the Province Leader, who is ensuring the safety and well-being of all the sisters and program participants. They are also reaching out to the people in whatever way they can at this time.

Please accompany our sisters, mission partners, program participants and all the people of Myanmar in prayer for their safety and for the restoration of peace and unity. On this Feast of Our Lady, may Mary accompany all of her children and protect them.

United in spirit,

*Bridget*
